SECURING THE HOMELAND FROM TRANSNATIONAL  
THREATS AND CRIMINAL ORGANIZATIONS

HOMELAND SECURITY INVESTIGATIONS

HSI

HSI INVESTIGATES, DISRUPTS, AND DISMANTLES TERRORIST, TRANSNATIONAL, AND OTHER CRIMINAL ORGANIZATIONS THAT THREATEN OR SEEK TO EXPLOIT THE CUSTOMS AND IMMIGRATION LAWS OF THE UNITED STATES.

## WHO WE ARE

HSI IS THE PRINCIPAL INVESTIGATIVE ARM OF THE U.S. DEPARTMENT OF HOMELAND SECURITY, RESPONSIBLE FOR INVESTIGATING TRANSNATIONAL CRIME AND THREATS, SPECIFICALLY THOSE CRIMINAL ORGANIZATIONS THAT EXPLOIT THE GLOBAL INFRASTRUCTURE THROUGH WHICH INTERNATIONAL TRADE, TRAVEL, AND FINANCE MOVE.

## OUR MISSION

HONOR | SERVICE | INTEGRITY

# HOMELAND SECURITY INVESTIGATIONS OPERATIONAL PRIORITIES

IN FY22, HSI'S OPERATIONAL PRIORITIES WILL CENTER ON THE FOLLOWING AREAS:

## CYBER AND FINANCIAL CRIMES

Cyber and Financial crime crosscut every programmatic area that HSI investigates. HSI will continue to utilize cutting edge technology and investigative techniques to infiltrate, investigate and dismantle criminal organizations that operate primarily within the cyber domain while also seeking to identify not only the illicit proceeds of crime, but also the financial networks and third-party facilitators that conceal and launder illegal proceeds.

## CRIMES OF EXPLOITATION AND VICTIMIZATION

HSI will protect the public from crimes of victimization by embracing partnerships; increasing outreach; and strategically targeting and investigating criminal organizations and financial structures that facilitate human trafficking, child exploitation, and forced labor.

## PUBLIC SAFETY

HSI will ensure the safety and wellbeing of our communities by launching and pursuing large-scale investigations into TCOs that smuggle drugs into the U.S. and engage in transnational violent gang activity.

## GLOBAL TRADE INVESTIGATIONS

HSI will mitigate vulnerabilities in international commerce streams by protecting intellectual property, combating trade fraud, and preventing the illicit proliferation of sensitive U.S. technology and weapons.

## NATIONAL SECURITY AND COUNTERTERRORISM

HSI will use its unique authorities to target the people, money, and materials that support terrorist activities in the U.S. and abroad and to support efforts to counter foreign intelligence and non-traditional collection threats.
